Dear friends of William Lawrence Camp:

Your William Lawrence Camp family wishes to say hello once again to our extended community of supporters and current and past campers. All of you represent the best of what our camp has to offer and are a testament to our mutual success and the continued value we deliver through our enduring legacy.

Since 1913, William Lawrence Camp has consistently been serving our sole mission "to provide a spirited, challenging and safe environment that promotes self-esteem and the physical, social and intellectual development of young boys and men."

You help us serve this most important purpose by your contribution to our Annual Fund.

This year once again we request that you help us to keep our camp strong as we rely on your loyal support. Please take a moment to reflect on the importance WLC has had in your family's life and especially your son's life and please consider increasing or at least maintaining your past donations. If you have not given in the past, missed a year of giving, or are new to our community – there is no time like now to stand behind what we all believe in and cherish - William Lawrence Camp.

As you may know, we operate on a tight budget and all tuition fees underwrite the camp program. Annual Fund contributions are used either for capital improvements to the camp or to provide scholarships to needy boys. We carry very small reserves so your donation is essential to our continued success.

William Lawrence Camp is recognized by the Internal Revenue Service as a 501(c) (3) charitable corporation and all donations are tax deductible as allowed by law.

Please send your check today in the enclosed envelope and visit our website, www.wlcamp.org where if you prefer you can make your donation via PayPal, update your contact information and help us find other camp alumni that you may know.

On behalf of William Lawrence Camp thank you for your support.

Sincerely,

Dennis J. Ceru, Ph.D.
Vice Chair, Annual Fund
