All pick-up times are between 1:30-2:30pm

If you have multiple children in different Units, please contact camp to discuss the proper drop-off time.

Parent Guide Highlights

- ❖ **Please do NOT use GPS to get to camp.** Many GPS units contain inaccurate information for this area.
- ❖ Camper accounts **MUST** have funds added **PRIOR** to arrival day.
- ❖ No one except the camper will be permitted to leave the bottom of the Knoll – Drop-off will be “Kiss and Go”
- ❖ All conversations with the Nurse **MUST** happen prior to arrival. The nurse will **ONLY BE COLLECTING MEDICATIONS** on arrival day.
- ❖ Please put your son’s name in or on all clothing and belongings. This streamlines the sorting of laundry after laundry day and facilitates the return of wayward items. On Opening Day, one of your son’s counselors will assist you with reviewing the entire contents of your son’s luggage and adding names wherever they were missed.
- ❖ Care packages – please prepare these wisely and advise siblings and family members accordingly. All packages are opened by the camper in the office, and it can be very upsetting for the camper to open a package of treats which must be taken away from him. Please do **NOT** send candy, cookies, drink mixes, gum, lifesavers, or any other food or perishable items, as well as other items such as those listed on page 30. Great items to include are cards, comic books, reading books, puzzles, non-electronic games and toys, newspaper articles, and camper-appropriate magazines.

- ❖ Cabin requests – For Summer 2023, only new campers may request assignment to a cabin with one friend, and we will make every effort to accommodate those requests (and almost always succeed). The friend may be a returning camper or first-time camper, and the families of both campers must give consent.
- ❖ Music devices – there are occasions when a music device with earphones may be used during the camp season. Please ensure that the device uses batteries (sold in the camp store) and is inexpensive as we cannot guarantee its condition at the end of camp. Handheld electronic games, cell phones, and any device which requires charging cannot be used at camp and should be left at home.
